### **Finance Report as at 31<sup>st</sup> January 2013**

- Current bank balance £3,700. However, lots of outstanding invoices due in excess of the balance.
- Due to the constitution issues raised by Noel at the AGM, membership renewals have had to be delayed. Normally I would have posted them by now which means revenue into the account will be delayed this year.
- I don't think I can delay paying outstanding invoices anymore as we have received a warning from Henderson's about legal action. There is now outstanding invoices going back more than two months. Most invoices ask for payment within 28 days. I suggest that all outstanding invoices are paid now . I have calculated there may be a small shortfall and I can provide a temporary loan until subscription money comes in.

### **House Sub-Committee**

#### **Update**

**February 2013**

#### House Routines

Attached is a further developed instruction sheet for the day-to-day tasks in running the clubhouse. It is not completely exhaustive, as many small tasks will occur as conditions develop. Also attached is an attempt to sort the tasks into a check sheet.

The idea to allocate these tasks on a week-by-week basis is sound and the notes should assist. However it will be advisable for someone to adopt a coordinating role to ensure continuity for a number of key issues, e.g. staff liaison and management. For example, if there is no identifiable 'line manager' it could be very disruptive for the housekeeper.

#### Private Water Supply

The water supply is reliable if it receives very regular attention, i.e. every week. This is essential or the intake gets blocked at the settlement tank. The greenkeepers have undertaken to check at least once a week but an additional check by a committee member is very important.

The task takes a 5-10 minutes, including the time to walk up to the tanks, but is crucial for the operation of the Clubhouse.

#### Recommendations

1. The Committee notes the guidance documents and develops a rota to undertake the relevant tasks.
2. One committee member undertakes a coordinating role to ensure continuity.
3. The Committee note the importance of the clearing the water intake every week.

## **Weekly**

Order stock for delivery from Booker for Wednesday and inform Greenkeeper  
Pick up stock from Booker if order too small for delivery

### SGU Grant

The application to the SGU for 50% financial assistance to purchase more clubs was successful and the extra clubs purchased. The delay in receiving the reimbursement for the SGU has been progressed and hopefully the grant payment will be issued very soon.

### Bank Account

Following lengthy discussions with the Bank of Scotland we are receiving bank statements again, after a gap of nearly one year.

### Spring/Summer Coaching

The coaches have met recently and are going to try some small changes in the coaching programme. Instead of 10 by one hour sessions on Sundays they intend to run 4 by one hour sessions and 3 by two hour sessions. The two hour sessions should improve the sessions which involve 'on course coaching, as one hour was too short to meet the coaching objectives.

In addition a PGA coach will run four by two hour sessions on Saturday afternoons. The Saturday afternoon sessions will not require any special arrangements on the course and where necessary will work around any members/visitors playing.

The success of this arrangement will be assessed in the summer break but may well be repeated in the future. If it is repeated it will reduce the potential disruption to members/visitors on Sundays.

### Recommendations

1. The Committee note progress.

## BECOMING A VOLUNTEER

### What are we looking for in a volunteer?

The volunteers at The 2014 Ryder Cup will be the first and last people our spectators see when they enter the event. They will be everywhere throughout the golf course, in the public areas, on the ground transportation and at Gleneagles train station. For us, they are the public face of the event and hugely important to The 2014 Ryder Cup.

We are looking for friendly, outgoing and good-humoured people to project a positive image of golf, Gleneagles and Scotland.

#### THE IMPORTANT QUALITIES THAT WE ARE LOOKING FOR INCLUDE:

- Enjoying helping people and being friendly and approachable
- Reliability
- Patience (even if you are asked the same question repeatedly time and time again)
- Positivity (even if it is pouring with rain)
- Thrive on being part of a team and working with other volunteers
- A basic knowledge of golf and, depending on various areas, a more detailed knowledge of the game is an advantage

### What is the process & timetable in becoming a volunteer?

- We will list all the different roles that are involved in being a volunteer for you to read through and look at
- Then you can click to apply for up to a maximum of 3 roles where you would like to be involved
- We will then spend time assessing all applications and experience.
- We will let you know whether or not you have been successful in your application by the 30th April 2013
- We don't expect everyone to have experience – the main criteria is a positive attitude and genuine desire to be involved in this great sporting event. There are certain roles however where specific levels of experience do apply
- If the particular roles you apply for are oversubscribed you may be offered an alternative as we will try to accommodate as many people as possible

### I've been selected! What next?

- All volunteers once accepted will be required to pay a £75.00 (or the equivalent in USD or Euro) registration fee. This fee is not to be sent through until you receive confirmation of your selection
- We will request a digital passport size photograph to be sent through to us for our records
